

A woman with dark skin and curly hair is posing on a beach. She is wearing a black, long-sleeved, pleated dress with a deep V-neckline. Her arms are raised, and she has her eyes closed, looking upwards. She is wearing several pieces of jewelry: a gold ring on her left hand, a gold bracelet on her right wrist, a pearl earring, and a necklace with a large, dark, teardrop-shaped pendant. The background is a blurred beach scene with the ocean and sky.

"SHAILAUN, singer and songwriter based in Arlington, United States, as a versatile artist and enlightened person that she is, knew how to architect such a powerful track, which unites in harmony, notes and lyricism, in a way that completely involves us in its plot; the narrative hits us right when it is placed beside us, however that is not all: the sweet vocals and in the same accented step, of sophisticated melismas and its transparent sincerity, lead us through a light, sensual rhythm and magnificent lyrics; we're there, all of us, embedded in the same plane, in the same circumstances, within every shimmering key of this R&B."
